

## **Declarations**

(Registration No.: 09AD2022000210316)

The Assured will not have to declare all transports worldwide falling within this insurance to the Underwriter, but the Assured must keep at disposal a copy of the invoices and relative documents regarding the whole above shipments.

The Assured shall notify the shipment by fax or electronic mail before the inception of the risk for shipment exceeding the Limits.

If, at the time of notification of the risk, the Assured does not possess all the elements relevant to the identification of the voyage, the Assured shall notify insurers and undertake to communicate all missing information to insurers as soon as he becomes aware of them.
