

Duty

(Registration No.: 09AD2022000210317)

Increased value by reason of payment of duty and/or levy is covered hereunder subject to the same conditions of this insurance as are, or would be applicable to the subject matter insured and to pay on the same basis as this insurance **but excluding:**

1. total loss or partial loss arising prior to duty and/or levy becoming payable and resulting in non-payment of duty and/or levy.

2. liability for general average contributions and salvage charges unless the occurrence giving rise to the general average occurs after duty and/or levy becomes payable.

This Policy also covers the Assured's liability for the payment of duty or other levies following loss of or damage to the subject matter insured interest recoverable hereunder, to the authority of any country through which the interest may pass including the country of origin prior to delivery to the consignee.

No claim to attach hereto for duty payable in the country of destination unless such duty amount is declared within the sum Insured hereunder.
