

Fumigation

(Registration No.: 09AD2022000210387)

In the event of the subject matter insured or any vessel, conveyance, wharf, warehouse or other premises in which the subject matter insured is situated being fumigated as required by competent authority, this insurance will:

- reimburse the Assured for the cost of the fumigation where the Assured is liable for such expenses;
- indemnify the Assured in respect of any loss, damage or depreciation suffered by the subject matter insured as a result of the fumigation.

The Insurer are to be subrogated to any rights of recourse that the Assured may have against other parties in relation to such fumigation costs and ensuing loss, damage or depreciation.
