

Pairs and Sets

(Registration No.: 09AD2022000210330)

It is agreed and understood that in the event of loss of or damage to any part of a pair or a set of goods insured, the Insurer shall be liable for such reasonable proportion as the value of the damaged part bears to the total value of the equipment. However, if the repaired or replaced part cannot make that pair or set of equipment up to a condition close to goods of like kind, the Insurer shall be liable for the value of complete pair or set of goods.

This Clause is subject otherwise to the terms, conditions and exceptions of this Policy.
