

## **Testing, Sorting and Segregation Clause**

(Registration No.: 09AD2022000210373)

In the event of external signs of damage to the subject matter insured and/or packing resulting from an insured peril, Insurers agree to continue cover to, from and whilst at repairers/testers and shall meet the costs of discharge, testing, sorting and segregating the goods including any surveyor's fees and additional storage charges whether or not any actual damage is found. Cover under this clause includes the cost of transporting the goods to or from a test facility and the cost of re-packing and transit to destination after completion.
