

Fumigation Clause

(Registration No.: 09AD2020000210220)

Should cargo be fumigated cover shall include:-

- a) The costs incurred in the fumigation operation provided such operation is outside of or additional to any normal procedure and the need for such operation is brought about by the operation of or insured peril.
- b) Damage resulting from the fumigation operation.
- c) The above shall be payable irrespective of whether actual infestation has been identified as being in existence.
