

Machinery Warranty

(Registration No.: 09AD2020000210226)

With respect to machinery, equipment and similar goods that are lost or damaged due to a peril covered elsewhere in this policy and that has been purchased with a manufacturer's warranty, all expenses necessarily incurred to restore or retain such warranty shall constitute a proper charge against this insurance. Such charges shall include freight and handling charges necessarily incurred to return insured goods to original place of manufacturing and then returned to job site.
