

华泰财险附加二次容器条款

兹经双方同意所有在承保地点使用或存储的危险材料和散装液体必须采用适当的二次容器放置（容积至少是基本容器容积的 110%）。对容器因不具备本附加条款所述的恰当的二次容器而溢漏所引起的任何污染状况，保险人不提供保险保障。

Secondary Containment Conditions Clause

It is hereby agreed that all hazardous materials and bulk liquids used/stored at the insured locations must be provided with adequate secondary containment to at least 110% capacity of the primary container. No coverage will be provided for any Pollution Conditions arising from spillages where containers have not been provided with adequate secondary containment as described herein.
